Dear Subhash,

Congratulations! We are very pleased to hire you as a Software Engineer for Aloha Tech Ventures Private Limited for the period starting Dec 1, 2024 till Dec 31, 2024. The first week will be training phase and for the further period, you will be on a probation period with weekly performance review. The CTC for the mentioned term is Rs. 80,000 per month. After the end of the probation period, following a satisfactory performance and other considerations from the company, your contract will be improved and extended based on mutual agreement after Dec 31, 2024. Any deviation in the current contract will be notified immediately from the company and the contract will be terminated with a 1-week notice. The contract is subject to adherence with terms and conditions and any violation will result in immediate termination. The notice period from the employee side is 7 days in advance for any reason that should be communicated to the hiring manager and the company.

Regards,

**Arun Athiban**

Director
